NONDISCLOSURE AGREEMENT

THIS NONDISCLOSURE AGREEMENT is made by and between [Name of _____ [Entity], a corporation organized under the laws of _____ ("OWNER"), and _____, a corporation organized under the laws of _____ (the "Company"), effective as of _____, 20____. The parties agree as follows:

1. Project Defined. The Company may receive from OWNER information of a non-public nature for use by the Company and its officers, directors, agents, employees and representatives, including financial and legal advisers (collectively "representatives"), in the course of the performance of the Company's services for OWNER in connection with _____

_____ (the "Project").

2. Information Defined. The Company acknowledges that, in the course of its performance of services for or discussions with OWNER in connection with the Project, the Company will receive certain private and proprietary information from or about OWNER or its affiliates, including but not limited to technical, financial or business information and models, names of customers or partners; proposed business deals, reports, plans, market projections, software programs, data or any other private and proprietary information relating to the Project which may include certain trade secrets ("Information"). The term "Information" as used herein also includes: (i) the fact that the Information has been made available to or is being inspected or evaluated by the Company; (ii) the fact that the Company is providing services to OWNER or is otherwise involved in or discussing the Project; and (iii) any information, work papers, analyses, compilations, projections, studies, documents, terms, conditions, correspondence, facts or other materials derived or produced by the Company or its representatives for OWNER in connection with the Project. Any information supplied by OWNER to the Company prior to the execution of this Agreement shall be subject to the same treatment as the information made available after the execution of this Agreement.

3. Exclusions for Definition. The term "Information" as used herein does not include any data or information that: (a) is already known to the Company at the time it is disclosed to the Company; or (b) before being divulged by the Company: (i) has become generally known to the public through no wrongful act of the Company or its representatives; (ii) has been rightfully received by the Company from a third party without restriction on disclosure and without a breach of an obligation of confidentiality

running directly or indirectly to OWNER; (iii) has been approved for release by a written authorization by OWNER; or (iv) is independently developed by the Company without use directly or indirectly, of the information received from OWNER.

4. Nondisclosure Obligation. The Company shall keep the Information confidential and shall not disclose such Information, in whole or in part, to any person other than its Representatives who need to know such Information in connection with the Company's performance of services for OWNER in connection with the Project except with the prior written consent of OWNER or as otherwise permitted hereunder. Such Representatives shall be informed by the Company of the confidential nature of the Information and shall be required by the Company to agree in writing to be bound by this Agreement. The Information shall be used by the Company solely for the purpose of performing services for or otherwise evaluating the Information provided by OWNER in connection with the Project, and shall not be otherwise used for the Company's own benefit or for any purpose detrimental to the interest of _____.

5. Standard of Protection. For the purpose of complying with the obligations set forth herein, the Company shall use efforts commensurate with those that it employs for the protection of corresponding sensitive Information of its own, which shall in any event be no lesser a standard than the type of efforts that would be taken by a reasonable business for the protection of its own highly confidential information and trade secrets.

6. Compliance with Legal Process. In the event that the Company is legally-requested or required (by oral questions, interrogatories, requests for information or documents, subpoena, Civil Investigative Demand or similar process or, in the opinion of counsel for the Company, by federal or state securities or other statutes, regulations or laws) to disclose any Information, the Company shall promptly notify OWNER of such request or requirement prior to disclosure so that OWNER may seek an appropriate protective order and/or waive compliance with the terms of this Agreement.

7. Ownership: Return of Information. All Information (including tangible copies and computerized or electronic versions and summaries thereof) shall remain the property of OWNER. Within ten (10) days following the receipt of a written request from OWNER, the Company shall deliver to OWNER all tangible materials containing or embodying the information received from OWNER, together with a certificate executed by an officer of the Company certifying that all such materials in the Company's possession or control have been delivered to OWNER or destroyed. The Company shall not assert directly or indirectly any right with respect to the information which may impair or be adverse to OWNER's ownership thereof.

8. Remedies for Breach. The Company understands and agrees that money damages would not be a sufficient remedy for any breach of this Agreement and that OWNER shall be entitled to seek injunctive or other equitable relief to remedy or Forestall any such breach or threatened breach. Such remedy shall not be deemed to be the exclusive remedy for any breach of this Agreement, but shall be in addition to all other rights and remedies available at law or in equity.

9. No Representations or Further Obligations. Neither this Agreement nor the disclosure of Information shall constitute or imply any promise or intention to make any purchase or services by OWNER. None of the Information which may be disclosed by OWNER shall constitute any representation, warranty, assurance, guarantee or inducement by OWNER to the Company of any kind, and in particular, with respect to the accuracy or completeness of any Information or the non-infringement of trademarks, patents, copyrights, mask protection rights or any other intellectual property rights, or other rights of third persons. It is understood that this Agreement does not obligate OWNER to enter into any further agreements or to proceed with any possible relationship or other transaction.

10. Term; Termination. This Agreement shall terminate as to the exchange of any new Information three (3) years after the effective date hereof. Either party may terminate the exchange of Information under this Agreement at any time by written notice to the other specifically referencing this Agreement. In any event, however, the obligations of the Company to maintain the confidentiality of the Information it has received under this Agreement shall continue for a period of three (3) years after such termination and then terminate, provided, however, that such obligation shall continue indefinitely as to Information constituting a trade secret under applicable law for so long as such Information remains a trade secret.

11. No Waiver. No failure or delay by OWNER in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise thereof preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder.

12. Amendment. This Agreement may not be modified, supplemented or amended orally, but only by a writing signed by both parties hereto.

13. Applicability to Associated Parties. Any information disclosed to the Company by any of OWNER's affiliated companies or by any company, person or other entity participating with OWNER in any consortium, partnership, joint venture or
